## La passione ci premia

Le idee Bonaldo hanno ottenuto numerosi riconoscimenti e premi, assegnati da enti e organizzazioni culturali, musei e associazioni di settore. I prodotti selezionati sia in Italia che all'estero si sono distinti per creatività, innovazione, ricerca di nuove soluzioni, sperimentazione di nuovi materiali e finiture. La collaborazione con numerosi designer - diversi per estrazione e cultura - e un'ottima tecnologia produttiva destano l'attenzione degli addetti ai lavori, e non solo. I relativi riconoscimenti sono una conferma del "fare bene", ma soprattutto rappresentano un invito a perseguire le linee guida che da sempre rappresentano la personalità Bonaldo: passione, ricerca, qualità.

## Passion rewards us

Bonaldo's ideas have won numerous acknowledgements and awards from cultural bodies and organisations, museums and trade associations, both in Italy and abroad. The awarded products stand out for their creativity and innovation, for the pursuit of new solutions and the experimentation with new materials and finishes. Bonaldo's partnership with a host of designers from various different backgrounds and cultures, along with an excellent technology, attracts the attention of public and professionals alike. These acknowledgements confirm Bonaldo's talented expertise but, above all, they are an invitation to continue to pursue the same values that have always distinguished the company and its products, namely passion, research and quality.
