ALIVAR

Nuovi oggetti d'arredo per dare carattere alla vita, complementi per farsi circondare da idee luminose, soluzioni per ambienti ad alto livello funzionale ed estetico. ALIVAR continua il progetto di una casa dove ogni dettaglio ha un valore squisito, dove ogni elemento è un punto d'interesse e concentra intorno a sé il piacere e il dinamismo. Una casa ricca d'ispirazioni, multicentrica, dove l'essenzialità lascia gli spazi aperti e dà ottima vivibilità, dove essere di tendenza significa anticipare ciò che c'è oltre l'orizzonte.

New furnishing items to give a true touch of character, furnishings to highlight the surroundings with lighting features, ideal solutions for highly functional and modern environments. ALIVAR range continues an ongoing project in which each detail has a specific intrinsic value and in which each element has a true significance focused on comfort and dynamism. For a home that is a true source of inspiration, multi-centered, in which minimalist lines provide the scope for excellent visibility, and fashion trends are conceived as an anticipation of what lies beyond the horizon.
